Celebrating 25 Years...

Founded in 2001, Bath Christmas Market started as a collection of local businesses and artisans who all came together to welcome in the festive period. Since then, it has evolved to be one of the UK's most beloved festive events. Now spanning their entire city centre and featuring over 250 businesses and community groups, Bath Christmas Market is now a staple of Bath's annual calendar.

Still staying true to our roots, we remain champions of local, independent businesses and continue to feature a range of makers from the South West and beyond.
